

We, AEROFORM France Composites, confirm that Biz-Tech Consultants Pvt. Ltd, based in India, has been our official distributor for our products in the Indian market since few years now.

Throughout our long-standing collaboration, Biz-Tech Consultants Pvt. Ltd has consistently demonstrated a high level of professionalism, strong market knowledge, and a solid commitment to promoting and distributing our products. Thanks to their well-established distribution network and commercial expertise, our brand has significantly strengthened its presence in India.

Their team efficiently manages sales operations, after-sales service, customer support and compliance with local regulations and standards. We particularly appreciate their reliability, transparency, and the quality of their communication.

Over the years, Biz-Tech Consultants Pvt. Ltd has fully honoured all contractual obligations and has maintained a good business relationship built on trust, performance and mutual respect.

We confidently recommend Biz-Tech as a reliable and competent business partner for any company / organization seeking to develop its activities in the Indian market.
