

We are excited to announce that **BizTech Consultant Pvt. Ltd.** will be exhibiting at **MRO XPO India 2026**.

Venue: Yashobhoomi (IICC Dwarka), New Delhi, India

Dates: 11–12 March 2026

Booth No.: 41

As the exclusive partner of **AEROFORM Composites France**, we warmly invite you to visit our booth to explore our latest carbon fiber composite repair technologies and discover advanced manufacturing equipment for the processing and repair of composite structural parts.

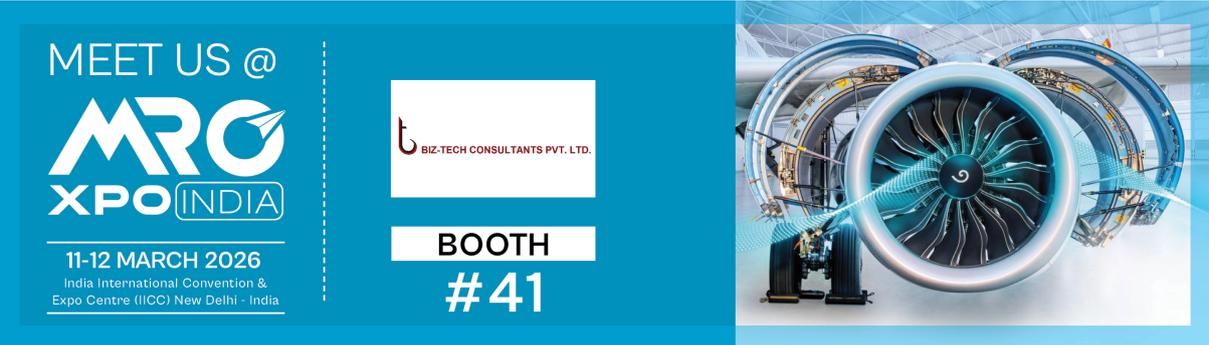

Join us to discuss how our solutions can support and enhance your Carbon Fiber Composite repair requirements.

If you would like to schedule a meeting during the event, please let us know — we would be delighted to connect with you.

Register here for your FREE Visitor Pass:
